The manufacturer undertakes to electronically supply the relevant technical documentation, referred to in Annex VII part B for the partly completed machinery, to national authorities upon reasoned request.

Производителят се задължава да предостави по електронен път съответната техническа документация, посочена в приложение VII, част B за частично завършената машина, на националните органи при обосновано искане.

This partly completed machine must not be put into service until the machinery into which it is to be incorporated, has been declared in conformity with the provisions of the Machinery Directive.

Тази частично завършена машина не трябва да се пуска в експлоатация, докато машината, в която ще бъде вградена, не бъде декларирана в съответствие с разпоредбите на Директивата за машините.

Furthermore this partly completed machinery fulfils all relevant provisions of the directive:

Освен това, тази частично завършена машина отговаря на всички приложими разпоредби на директивата:

- Electromagnetic Compatibility (EMC) 2014/30/EU
- Restriction of the use of certain hazardous substances (RoHS)2011/65/EU

Following harmonized norms and specifications are applied:
